The Supplemental European Search report filed on 02/17/2005 has been placed in the file. However, the listing of references in the Search Report is not considered to be an information disclosure statement (IDS). The listing of references cited in the Search report must be submitted on a separate paper such as PTO-1449 form for consideration by the Office. It is recognized that the US 4,793,956 as cited in the search report is not the 102 art and does not affect the art rejections that have been made in the Examiner's Answer.
